#### Notes to Balance Sheet

This Balance Sheet has been adjusted to the Cash Basis method of Accounting

As soon as the court order was signed on October 8, 2016 employing Aldridge Chaseswater, LLC, Joan deSouza Frank Phelps as accounting and business consultants, the added task of reconstructing the formal books of accounts began to emerge. Starting September 22, 2016 the task of reconstructing the books began prior to the court order by focusing on balances owed to all creditors, making sure payroll for +250 employees was properly taken care of including making sure all payroll taxes were all current, sanitation measures were all current, sanitation measures were properly carried out, and in compliance with applicable laws, studying an efficient electronic accounting reporting system to be installed, a necessity to protect the financial investment made by all. Since date of filing on October 6, 2016 the process has been accelerated.

Please note that no reliable historical books of accounts exist and therefore beginning October 6, 2016 and continuing forward are being developed and thus requiring further amendments to presented financial statements may occur from time to time as further information unfolds.

#### Current Assets

**Cash on Hand** as shown is kept at each store in a secured manner under control of each store manager and is signed off daily as counted each evening.

**Cash in Bank** as shown has been verified with US Bank demonstrated by a paper trail bank statement and transaction journal prepared independently by US Bank and signed off by a banking official.

**Inventory** is not shown but rather expensed off to each store because there is very little shelf life that can be assigned to either perishable there is very little shelf life that can be assigned to either perishable food and paper items.

**Fixed Assets, leasehold improvements and Franchise Fee** have not been depreciated or amortized at this point in time until such time as an inventory can be concluded disclosing purchase can be concluded disclosing purchase can be concluded disclosing purchase dates and a detailed list of said assets,

#### Other Assets

The amount due from Peterson has been estimated until investigation is completed determining the correct amount to be recovered

**There is loss of Income Claim in progress do to a car crash into a store, 2 fires and 2 floods never claimed for an insurance recovery. At this point in time there is an estimated recovery in excess of \$720,000.**

#### Liabilities

All creditors' amounts due were taken from court records and/or company records and will be amended from time to time as new information surfaces.

#### Capital

Because no reliable historical records are available, the amount so stated will be amended once new data can be verified.
